Let's begin...

In today's competitive, globally-connected, and ever-evolving world, communication, employability, and professional skills are essential for standing out and achieving success. Employers increasingly seek skilled, communicative individuals who can lead and drive business growth. To meet this demand, combining language mastery with job readiness skills is crucial for future success.

This comprehensive programme is designed to equip you with the English language skills necessary for business and workplace environments. It also develops employability and professional competencies. Whether preparing for your first job or advancing your career, our programme integrates communication skills with critical job readiness and entrepreneurship expertise, ensuring you are future-ready.

Why This Programme?

This unique programme refines your English language proficiency while building over 50 essential skills for future success. Whether entering the workforce or growing your career, our curriculum empowers you to thrive in a dynamic, global job market. Whether an individual is stepping into their first job or advancing their career, this programme empowers them to thrive in a dynamic world and become part of a global workforce.

Programme Highlights

- **Duration:** 240 hours (120 hours of trainer-led sessions and 120 hours of self-study activities, assignments, and practice). It can be completed in 3-5 months.
- **Eligibility:** Suitable for individuals aged 18 or older pursuing higher education or preparing for job opportunities.
- **International Standards:** Mapped to international frameworks like the CEFR (Common European Framework of Reference for English Proficiency) and CIFR (Common International Framework of Reference for Future Readiness and Skills).
- **Professional Portfolio:** Participants develop a professional portfolio showcasing their skills and achievements. This portfolio is an invaluable tool for job applications and career advancement, providing a complete view of your qualifications and job readiness.

- **Comprehensive Assessments:** The programme includes a variety of assessments.
  - **Diagnostics:** Before starting, you will undergo an English and skills diagnostic assessment to determine your current level and personalize your learning journey.
  - **Formative Assessments:** Ongoing assessments ensure continuous improvement and progress throughout the programme.
  - **Professional Portfolio:** Participants create profiles that showcase their skills and achievements, which are useful during job applications and interviews.
  - **End-of-Programme Certification:** Participants receive certificates from QAI UK based on achievement levels: Pass (40-59%), Merit (60-74%), or Distinction (75%+).
- **Learn from Experts:** The programme is delivered by QAI UK-certified national and international faculty, with masterclasses conducted by global experts. Thus, it provides an international learning experience.
- **Training Delivery:** We offer flexible training modes: Face-to-face, online, or blended learning. Our approach includes guided self-study, practical exercises, engaging assignments, mock tests, and interactive activities to ensure you experience real-world application.

Key Learning Outcomes

- **English Communication:** Achieve fluency in spoken English, present ideas persuasively, deliver impactful speeches, and confidently engage in group discussions.
- **Business Writing:** Master professional writing formats, including emails, reports, and presentations for clear, concise, and effective communication.
- **Active Listening & Interpretation:** Develop the ability to listen effectively and respond accurately in team settings and client interactions.
- **Digital & Technological Literacy:** Enhance your digital skills, including AI-driven research, cyber safety, digital collaboration, and proficiency in business software.
- **Leadership & Management:** Build leadership and management abilities in strategic planning, decision-making, team building, conflict resolution, and project management.

- **Career Success Skills:** Develop essential career skills like adaptability, resourcefulness, global awareness, and stress tolerance.
- **Entrepreneurship & Business Skills:** Gain expertise in market research, budgeting, financial planning, networking, sales strategies, and risk management.
- **Thinking & Analytical Skills:** Strengthen creative, computational, and analytical thinking, fostering a positive growth mindset and cognitive flexibility.

International Certifications

The programme offers prestigious international certifications, including:

- **QAI UK Certification:** A globally recognized certificate indicating your readiness for the professional world.
- **GETS Higher Certificate for English Proficiency:** Mapped to CEFR standards, independently reviewed by Ecctis, a UK-based authority.
- **ZQ Report:** A detailed skills report mapped to the CIFR for Future Readiness, offering a global perspective on your competencies

Our programmes are mapped to internationally recognized frameworks such as CEFR and CIFR, and the certifications are independently benchmarked by Ecctis, a UK-based authority supporting global qualification portability.

Let's begin...

Assessment, Training and Certificating for International Opportunities

Qualifications and Assessments International, UK (QAI UK) and Zamit, UK, have formed a strategic alliance to offer world-class assessments and learning programmes in Languages and Skills for students and job seekers. They also provide measurement of Teaching Excellence and improvement through Professional Development Programmes for teachers and trainers.

The assessment for the English language is mapped to the Common European Framework of Reference (CEFR), and for Skills, it is mapped to the Common International Framework of Reference (CIFR) for Future Readiness. The learning programmes are mapped to the Regulated Qualifications Framework (RQF) of England, Wales, and Northern Ireland. The English language proficiency certification (GETS Higher) is independently benchmarked by Ecctis (formerly UK NARIC), which operates the official recognition services on behalf of the UK Government.

Zamit stands at the forefront of educational innovation, equipping students and educators with the skills for the future today. This UK-based pioneer in educational solutions offers Skills and Knowledge Integrated Learning solutions for students and advanced Teaching Excellence programmes for teachers. Partnering with schools, colleges and universities, Zamit custom-designs initiatives that cater to the needs of students, jobseekers and teachers, promoting an adaptive, innovative, and future-ready learning ecosystem.

Furthermore, in collaboration with The Future Foundation, Zamit provides development grants, scholarships, and research funding, investing in the continuous advancement of education.

QAI and Zamit are empanelled as Training Partners for the National Skills Development Corporation (NSDC) and NSDC International. Zamit is also registered under the Start-up India that reports to a team in the Department for Promotion of Industry and Internal Trade (DPIIT), Govt. of India
